INTERNATIONAL PRELIM. RY REPORT ON PATENTABILITY

ternational application No.

PCT/AU2004/000478

3ox	No. I Basis of the report				
	With regard to the language, this report is based on the international application in the language in which it was filed, unless otherwise indicated under this item.				
	This report is based on translations from the original language into the following language which is the language of a translation furnished for the purposes of:				
	international search (under Rules 12.3 and 23.1 (b))				
	publication of the international application (under Rule 12.4)				
	international preliminary examination (under Rules 55.2 and/or 55.3)				
2.	furnished to the receiving Office in response to an invitation under Article 14 are referred to in this report as "originally filed" and are not annexed to this report):				
	the international application as originally filed/furnished				
	X the description:				
	pages 1-10 as originally filed/furnished				
	pages* received by this Authority on with the letter of				
	Page 1				
	x the claims: pages 11 as originally filed/furnished				
	pages* as amended (together with any statement) under Article 19				
	pages* 12-14 received by this Authority on 9 November 2004 with the letter of 9 November 2004				
	pages* received by this Authority on with the letter of				
	X the drawings:				
	pages 1/4-4/4 as originally filed/furnished				
	pages* received by this Authority on with the letter of				
	pages* received by this Authority on with the letter of				
	a sequence listing and/or any related table(s) - see Supplemental Box Relating to Sequence Listing.				
3.	The amendments have resulted in the cancellation of:				
	the description, pages				
	the claims, Nos.				
	the drawings, sheets/figs				
	the sequence listing (specify):				
	any table(s) related to the sequence listing (specify):				
4.	This report has been established as if (some of) the amendments annexed to this report and listed below had not been made, since they have been considered to go beyond the disclosure as filed, as indicated in the Supplemental Box (Rule 70.2(c)).				
	the description, pages				
	the claims, Nos.				
the drawings, sheets/figs					
the sequence listing (specify):					
	any table(s) related to the sequence listing (specify):				
*	If item 4 applies, some or all of those sheets may be marked "superseded."				

INTERNATIONAL PRELIMINARY REPORT ON PATENTABILITY

rnational application No.
PCT/AU2004/000478

30x No. V Reasoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement

l. Statement		
· Novelty (N)	Claims 1-21	YES
	Claims	NO _.
Inventive step (IS)	Claims 1-21	YES
	Claims	NO
Industrial applicability (IA)	Claims 1-21	YES
•	Claims	NO

2. Citations and explanations (Rule 70.7)

CLAIMS 1-21

None of the citations in the search report, individually or in combination, disclose the features of the claims. In particular none of them disclose at least one output able to service two circuits for voice communication. Furthermore, none of the distinguishing features over prior art would either be obvious to a person skilled in the art or would merely amount to adding common general knowledge. The claims are, therefore, novel and inventive.
